

The Arizona Area Internet Committee Needs Your Assistance!

IT'S TIME!

Time to redesign the Area website and we're in need of assistance from the fellowship.

Do you have experience in web design?

We're searching for individuals willing to work with us on coming up with a new design and providing some training on updating the site if there's any new methods necessary.

If you have an interest and can commit to this project through to it's completion,

PLEASE, LET US KNOW SOON!

Express your desire to be of service to:
